KEN AND CHOLLY is the Kemptville duo of **Ken Julien and Cholly Boland**. Together, they perform music from the 1960s to the 2020s. Ken is a singer-songwriter and is currently recording a CD of original songs. Cholly comes from a music-teaching family and plays and sings in several musical groups.

LÉO BÉRIAULT began singing and playing guitar at a very early age. His father played fiddle from the age of nine, and a brother had a successful musical career playing guitar and singing. Since his early 20's, Léo has enjoyed listening to and performing the popular rock-and-roll and country songs of the day. Léo started the *Easy Country Band* in the early 1980's, which performed at live events until around 2000. Today, he still enjoys plugging in a guitar and singing his favourite songs. We are delighted to welcome him to the Tilted Steeple for the second time, joined by his sons **Mario** on cajon and **Alain** on electric bass.

Beverages and snacks are available by donation, coordinated by the Anglican Parish of South Dundas to benefit its outreach activities.

HIPS AND HARMONIES is a mother-daughter duo from Brockville with a mutual love of music and laughter. Carla and Jessica play feel-good covers and original songs in perfect harmony! After 25 years of singing together at home, they became an official band in 2015 and sing at various area venues, including seniors' residences. This is their second visit to the TSCH. They first played back in 2017, and we've been trying to get them back to our stage ever since!
